ITINERLOG

# Travel budget template

Track estimated and actual travel costs by category. The Excel workbook totals each column and shows how far you are above or below your estimate.

**Trip name**

**Travel dates**

**Currency**

| Category | Estimate | Actual | Notes |
|---|---|---|---|
| Transportation | | | |
| Lodging | | | |
| Food | | | |
| Activities | | | |
| Local transit | | | |
| Extras | | | |
| Buffer | | | |
| Total | | | |
| Actual less estimate | | | |

## Prepaid costs & reminders
